## ***Healthy Families Return to School***

This event is a partnership between the City of Hartford Health and Human Services Department and the King Chapel Church of God and it is part of the *Healthy Hartford Campaign* which aims to increase the availability of health related information and influence the choices that Hartford families make in their daily lives.

- Free Health screenings will be available as well as information on health topics such as nutrition, the importance of exercise and services that are available to the Hartford community.
- Items to help families get their children ready to return to school will be available
- Entertainment, food and so much more !
